City Street Right-of-Ways & Alley-Ways

Over the past several years the City of Wendell has worked hard and has invested a considerable amount of money in maintaining City Street Right-of-Ways & Alley-Ways. The efforts and money expended for maintaining these Right-of-Ways results in a much cleaner looking community. And, I believe that City properties look as good as they ever have.

We ask that property owners not use any City Right-of-Ways for the disposal of grass clippings, branches, or any kind of rubbish. As a community we are fortunate to have a land fill two miles north of the City limits. Please take advantage of the local land fill and help us to keep our community clean. Thank You.

Brad Christopherson, Wendell City Administrator

Please do your yard and garden watering during early morning or late evening hours as much as possible. Watering during the heat of the day doesn't do much good as the water evaporates quickly on hot days, therefore you have to water more frequently and it costs you more. If you use a sprinkler system be careful not to set the timers for too long of a cycle.

A big Thank You to all of the local businesses and individuals here in Wendell who gave generously to the Independence Day Celebration in the Park. We appreciate each one who donated, large or small.

Want to know how the animal shelter is coming along? Go to www.wendell.id.org, click on useful links, and select Wendell Animal Control. You will find all kinds of information on what is happening in the dog community and the shelter.

Lost or missing dogs can often be found on this website. Pictures are posted here whenever a dog is found wandering the streets and no one knows where they belong. This helps them get home sooner when someone recognizes them.

Stephanie has also had lost or homeless cats, rabbits, etc. pictured here.

The City of Wendell Police Department is contracted through the Gooding County Sheriff's Office, similar to the way Hagerman has done with their department.

Sergeant Jeromy Smith is the officer in charge of the Wendell Division and offices are still in City Hall. If you are experiencing an emergency you would still dial 911 and if you need help that is a non-emergency then you can dial 324-1911 and they will contact an officer for you. We have some great officers always working to deter crime in our City and keep peace and harmony for everyone.

Gooding Co. Sheriff's

Office, Wendell Division, with some of the kindergarten students on their annual tour of Wendell. They all had a great time checking out and learning more about our City including the Library, City Hall, Fire Dept, Banks, El Tapatio, and City Park.

Congratulations to all these winners!

The Wendell Library Rummage Sale, Baked Food, and Book Sale during Dairy Days was very successful. We earned \$1,483.14 towards the New Library Building fund. The carnival people gave us \$80 for any baked goods we had left over and that was greatly appreciated. We had many that helped to price, bake, and work Dairy Days. A huge thank you to all the volunteers! We do need more books and rummage sale items. Be on the lookout for any rummage sale items that might be going to thrift stores. We would be happy to take them.

Books and rummage items can be left at the Wendell Library @ 375 1st Ave East.

Wendell Library Book & Rummage Sale

Summer sale hours are 9-4 on the following days:

July 17, August 7 & 21, Sept. 4 & 18, October 2.

Wendell Senior Center

The Seniors thank the community for their support at the breakfast on Saturday during Dairy Days. We profited over \$400. The work is ongoing to collect monies for the proposed Senior building on 1st Ave East.

Anyone wishing to donate to the Senior Building fund, please call City Hall (536-5161) for more information.

Magic Valley Dairy Days Show & Shine

The 11th Annual MVDD Show and Shine held on the 13th of June at the newly named Jim Prince Memorial Park was a huge success. There were many entries from throughout the valley. Thanks to all the many sponsors who make this event possible. 14 awards were given to:
