Truck Ordinance

Mayor Lori Swainston and Council members Don Dunn, BJ Marshall, Seaira Gold and Herb Allred, along with Community members Steve and Kali Connell and John Delap discussed revising all four truck ordinances in the City of Wendell. It was stated that Ordinance 502-2010 and 503-2010 did not seem to need revising. Truck Ordinance 504-2010 wasn’t discussed in detail without legal council or a police officer to ask what the city can do. Truck Ordinance 501-2010 was discussed in length and the designated truck routes were stated out loud with East Main not being a designated truck route. Kali Connell stated a case out of California in regards to Ordinance 501-2010 that stated a truck can leave the designated truck route using the straightest and most direct route to destination. John Delap addressed Mayor and Council that he drives truck and lives on the county side of Fairfield St. around the corner from the Connell’s and drives down Fairfield St., parks his truck on the side of the road. He stated to Mayor and Council to just be careful when making decisions on the truck ordinances. No decisions were made and the matter will be put on the next regular City Council meeting September 5, 2019.
