JULY

Wendell City Mayor & Councilmembers
Mayor Lori Swainston
Council President Don Dunn
Councilman Jason Houser
Councilman Herb Allred
Councilwoman BJ Marshall

City Council
1st and 3rd
Thursday each month.
7 pm, City Hall
Public Welcome

The City of Wendell would like to recognize and thank Scott Keyes for the many, many years Scott and his employees at Electric Express have donated their expertise, time, and resources to the annual  Magic Valley Dairy Days celebration. Magic Valley Dairy Days is truly a community event with numerous individuals, organizations, and businesses working together to make the celebration a success each year. It could not take place without civic-minded business owners and willing workers such as Scott and his crew.

Thank you, Scott. We appreciate your years of service to our community.

Sincerely, Mayor Lori Swainston, Council Members Don Dunn, Herb Allred, Jason Houser, B.J. Marshall, and City Admin. Brad Christopherson and City staff.

Try lunch at the Senior Center this month! They serve lunch on Mondays and Fridays from 12:00 to 1:00.
Good food, good friends, great day!

Volunteers needed for the Wendell City / Rural Fire Department. Please contact Fire Chief Bob Bailey for further information.

A big **Thank You** to all of the local businesses and individuals in Wendell who gave generously to our Independence Day Celebration. We appreciate each  one who donated, large or small.

Donations were made by Magic Valley Growers, Cedar Grove Warehouse, Magic Valley Portuguese Hall, Miller Brothers, Ken & Karlee Brown, Snake River Fence, Farmer's Bank, Maverik, Elevation Electric, Wanda Hays, Halls Trailer Park and Papa Kelsey's. 

There are still properties in Wendell that have not had backflow testing on their sprinkler systems completed for this year. If you have a sprinkler system in your yard, DEQ requires that it is tested for possible backflow contamination to our drinking water. The City is aware that there has been a shortage of licensed testers but it still has to be done annually. We keep records in City Hall that are checked on by DEQ periodically.

Stop in at City Hall if you can't find someone to do your backflow testing and we can give you a list of licensed testers to contact.

Please take time to have this done, it is for the safety of yourselves, your families and your town.
